## *What to expect*

We invite you to join us in celebration of our graduating class of 2022!

This will be a great night where we acknowledge our students and their accomplishments as they turn the page to a new and exciting chapter of life.

Come along and experience a night to remember.

We encourage family to come along and see their students graduate.

Each graduating student is allowed to purchase 2 additional tickets for family members to share the special night with them.

- Guests will be greeted by the lush views of the Hillstone Golf Links and the elegant Hamptons style Grandview Room.
- Families will be able to take advantage of professional photography in front of the beautifully lit mango tree.
- Witness a memorable graduation celebration while enjoying a three course meal followed by tea and coffee for parents and staff while our graduating students enjoy each others company on the dance floor.
